RECORDING OF PHONE COMMUNICATIONS

In order to improve the quality of our services, phone communications with our advisors are likely to be recorded. These records will be kept for a maximum of 2 months. They constitute a processing of personal data whose controller is OLINDA SAS (Qonto). The procedures for exercising the rights of data subjects are described in the OLINDA's [privacy policy](#).

INTELLECTUAL PROPERTY

The presentation and content of the Application published by OLINDA, providing access to the personal space of users, together constitute a work protected by the laws in force on intellectual property, which OLINDA holds. Reproduction in whole or in part is systematically subject to authorization by OLINDA.

1. Copyright

Texts, images, drawings and lay-outs as well as the graphic charter of the Application are protected by intellectual property regulations. It is prohibited to copy, extract, distribute or modify the content of the Application for commercial purposes. Downloading as well as printing text, images and graphic elements are only authorized for private and non-commercial purposes. Reproduction of drawings, images, sound documents, video sequences and texts in other electronic or printed publications

requires the prior written consent of OLINDA. The lack of authorization is sanctioned for counterfeiting.

2. Brand

Trademarks and logos displayed on the Application are registered and protected trademarks. Any total or partial reproduction of trademarks and/or logos displayed on the Application or made from elements of the Application without the written authorization of OLINDA is constitutive of the offense of counterfeiting.

3. Database

OLINDA's databases are protected by copyright and in the terms of the provisions of the French intellectual property code relating to the rights of database producers. Without OLINDA's written authorization, any reproduction, representation, adaptation, translation and/or modification, in whole or in part, as well as any substantial qualitative or quantitative extraction to another platform is prohibited and sanctioned for counterfeiting.
